### About Schneider Electric

As the global specialist in energy management with operations in more than 100 countries, Schneider Electric offers integrated solutions across multiple market segments, including leadership positions in energy and infrastructure, industrial processes, building automation, and data centres/networks, as well as a broad presence in residential applications. Focused on making energy safe, reliable, and efficient, the company's 110,000 plus employees achieved sales of 19.6 billion euros in 2010, through an active commitment to help individuals and organizations "Make the most of their energy".

The LifeSpace Business of Schneider Electric provides solutions that represent the best in lifestyle and innovation for offices, hotels and homes. These solutions include award-winning products in the areas of building and home automation, structured cabling, and designer switches and sockets. They help the finest architectures around the world to achieve more with less.

# Style and Function Vivace

Inspired by the influential Bauhaus movement, Vivace expresses a pleasing form follows function. With a slim and trim profile, the sleek clean lines and subtle curves manifest an art of simple, elegant minimalism. Every piece in this robustly constructed range sits perfectly within the context of any modern interior design.

Vivace, a style of modern simplicity that is always within your reach.
